Barboursville Park Amphitheater

Proceeds to benefit cancer programs at St. Mary's Medical Center and Cabell Huntington Hospital

Proceeds from the event will benefit cancer patients in need at both St. Mary's Medical Center and Cabell Huntington Hospital.

In honor of all cancer survivors, Concert for a Cure provides an outdoor venue of for popular music, great food, and a lot of fun while raising money that remains in the Tri-State area.

Proceeds from the event benefit the Pink Ribbon Fund, the General Cancer Fund, and the Good Samaritan Fund, which support cancer patients in need at both St. Mary's Medical Center and Cabell Huntington Hospital.

"Never underestimate the power of friends and family during your healing process."

- T. Wentz, 25-Year Cancer Survivor

St. Mary's Medical Center Foundation and Cabell Huntington Hospital Foundation will team up again for our second annual Concert for a Cure. This event, which used to be a 5K walk/run, has grown into something everyone can enjoy while supporting the cancer programs at St. Mary's and Cabell Huntington hospitals. Last year's event drew more than 3,000 people on a fun, beautiful evening at Barboursville Park's amphitheater. This year's event will include Resurrection: A Journey Tribute and Thunderstruck: The Ultimate AC/DC tribute. These talented artists look and sound like the real thing!

The event will offer a variety of food trucks from around the region, including a beer and wine truck. Sponsorships at the silver and gold levels include one of the limited tables near the stage for eight guests with wine and a picnic basket of goodies.

	Single Event Sponsorship Levels and Participants		Estimated Tax Deduction
