

Your sponsorship of St. Mary's Pallotti Cup supports St Mary's Hospitality House.

Patients who travel to St. Mary's Medical Center for advanced health care have additional support now that their families and supportive friends can stay close by at the St. Mary's Hospitality House. The St. Mary's Hospitality House, which opened in December of 2014, has cared for more than 12,300 patients and guests from 47 states and four countries, representing more than 22,300 guest nights. Three out of four guests have loved ones being cared for at St. Mary's, but the house supports all other hospital providers in the area, as well as Hospice of Huntington. Through events like the Pallotti Cup and other fundraisers, donors of The Foundation and the St. Mary's Auxiliary help keep the house operational 24 hours a day, seven days a week.

"We drove eight hours to rush and see our father before he had emergency heart surgery. We were so weary — to have a place so loving and close and affordable was such a blessing. We felt the love of each bit of preparation."

Guyan Golf & Country Club

All proceeds support St. Mary's Hospitality House

The challenging course at Guyan Golf and Country Club is the setting for our sixth annual Pallotti Cup, which has become a charity tournament favorite for many golfers in our region. Our Ryder Cup-style event has made the average charity event a little more interesting. There are 36 two-man teams, and each team is assigned to one of two sides (Team White or Team Blue). Each team will play three nine-hole matches and attempt to score points for their side. Some matches use an alternate shot, and other matches will use a scramble format. At the end of the day, half of the golfers will go home as winners of the Pallotti Cup!

Sister Mary Grace, captain of Team Blue, won her first tournament in five years over Sister Diane Bushee, captain of Team White. Sister Mary Grace is counting on Team Blue to prevail again in 2019. This tournament will sell out very quickly. With a limited number of golfing spots available, multi-event sponsors will receive first priority in this event. Proceeds will benefit the St. Mary's Hospitality House.

Single Event Sponsorship Levels and Participants			Estimated Tax Deduction
Silver	\$2,500	4	\$1,400
Bronze	\$1,250	2	\$900
Hole Sponsor	\$150	0	\$125

Limited to 72 golfers
